EXPERIENCE

Independent Full Stack Developer

Puducherry

May 2025 – Present

- Directed a strategic transition from .NET to the **MERN stack** through intensive self-directed learning and project development.
- Architected a high-performance personal portfolio using **React, Node.js, and MongoDB**, focusing on responsive design and SEO.
- Engineered custom AI workflows using **Langflow** and Python to automate data processing tasks, integrating LLMs into web apps.
- Collaborated with a customer to create a website that would highlight their brand. I handled everything, including obtaining a domain, developing the website, and hosting it..

Miebach Consulting

Hybrid / On-site

IT Consultant

Dec 2024 – March 2025

- Served as **SPOC** for key logistics clients, bridging the gap between business requirements and technical implementation.
- Assigned to be a part of development of new application which uses **MERN**, this was a software upgrade and I was assigned to this internal project which would replace existing software upon final build.
- Awarded Bar Raiser (Q4 2024)** for exceptional delivery speed and code quality during peak operations.

Miebach Consulting

Hybrid / On-site

Associate IT Consultant

Aug 2023 – Nov 2024

- Managed full SDLC for Warehouse Management Systems, including on-site deployment and hyper-care support.
- Resolved 95% of Tier-2 critical incidents within SLA timelines, ensuring high system availability for clients.
- Awarded Bar Raiser (Q1 2024)** for seamless project Go-Live execution.

Miebach Consulting

Hybrid / On-site

IT Intern

Jan 2023 – July 2023

- Built a real-time analytics dashboard from scratch using **ASP.NET and SQL**, improving operational visibility.
- Authored SOPs and technical documentation that reduced new developer onboarding time by 30%.
- Awarded Bar Raiser (Q1 2023)** for rapid skill acquisition and contribution to internal tools.

EDUCATION

SRM Institute of Science and Technology

Chennai, India

B.Tech in Electronics and Communication Engineering (ECE) | CGPA: 8.85

2019 – 2023
